

**Rotary**  
Zone 21B

Belgrade, January 2020.

Dear Rotarian Friends,

With the best wishes for the new 2020, I am happy to invite you to the **Regional Rotary Meeting** in Belgrade in March 2020.

District 2483 (Serbia, and Montenegro) is organizing the extended Rotary Coordinator Meeting, which will cover the most important topics in Rotary today, for all district officers, clubs, and all interested Rotarians - the Rotary Foundation, Membership Development, Public Image and Polio Eradication.

This type of meeting is usually organized twice a year for the coordinators and their assistants, but for the first time it will be open for the Rotary community. Following the wish of the coordinators of the Zone 21B this event is expanded into informative and educational. It will be open for all interested Rotarians and Rotaractors.

This event will be a great opportunity for officers of all Zone 21B districts, as well for surrounding districts to gather and learn a lot on relevant information that can help them in their future work. For the governors, DGN, DGE, PDG, chairmen of District Membership Committees, the Rotary Foundation Committees and the Rotary Public Image Committees, and for all Rotarians from this part of the world it will also be an opportunity for networking and developing of some joint initiatives.

The Regional Rotary Event will be organized as an interesting educational event where club presidents, club members and all other Rotarians can learn a lot about the Rotary organization directly from top management officers of Rotary International and The Rotary Foundation. We are proud to announce that **Vice President of RI Yinka Babalola** and **Rotary Foundation Trustee Jenifer Jones** will be the lecturers at this Event. Such meeting could help better communication and collaboration of the clubs in the Zone 21B.

For the first time such type of event will have a thematic session dedicated to the eradication of polio and **"END POLIO NOW" Fundraising Dinner**, in order to encourage Rotarians and clubs to make a final contribution to this major Rotary International project.

Regional Rotary Event with Rotary Coordinator Meeting takes place in Belgrade from **20-22 March 2020**.
